

SNAP WCE MK2

The Snap WCE MK2 is still all the things you love from the Snap WCE but optimized for the 2.50 width.

Born out of working closely with our elite riders and taking their input, we've improved our best all-around tire.

The updated profile provides the perfect balance, giving you comfort and control like never before.

Available in 29" and 27.5" in 2.50. Suitable for front and rear use.
